Scott,

I have been told not to distribute these by the EPA, but per your direction I am sending them to you, I would recommend these do not get distributed to anyone even within Weston. When you have reviewed them please let me know so I can send these to the EPA (give me valid emails to send them to) if you feel you need to send them please let me know who they go to so I can answer to them if I have to.

Here are the raw videos from the Gold King Blowout. I have included my 5 clips and 1 clip received from ERRS. The clip of water rushing across a road is the ERRS clip.

Thank You,
Elliott
